Illustration:
Classic 42 Plus KF

Textured caps bind 3 slats together.

Extra-flat frame, developed for particularly low designer beds.

Exclusive sleeping comfort is the result of very exact coordination between the mattress and the slatted frame. Many Classic Plus 42 functional details ensure that the mattress is very responsively supported over the entire surface:
Flexible shoulder comfortzone, continuously adjustable middle section with dual slat system and central strap for even weight distribution, flexible, noiseless suspension with movable trio-caps, surface structure end caps prevent mattress from sliding, the slat spring functionality out to the edges, extra-flat frame.
Exclusive mattress base technology for excellent SCHLARAFFIA mattresses.

Outer frame height	Outer frame height incl. end caps	Max. middle height (no load)
40 mm	70 mm	90 mm

Standard size: 90 x 200 cm

Actual size: 89 x 196 cm

Shoulder comfort zone:

Flexible shoulder comfort zone for improved vertebra column support, especially when lying on the side.

Middle section reinforcement:

Easy to use, continually adjustable firmness regulation in the middle section, with dual slat system and central strap for even weight distribution.

Spring slats:

Slats encased in adjustable rubber caps that bind 3 slats together, to ensure a flexible, noiseless suspension. Outer frame made from beech plywood, cross-frame from solid beech with decorative metallic coating. 42 multi-veneered spring slats (200 cm long) with decorative grey coating (shoulder zone red, hip zone anthracite grey). Spring functionality out to the edges to avoid "sagging" on double beds.

Versions available:

Classic 42 Plus NV:

Non-adjustable.

Classic 42 Plus KF:

Extra long head and foot components manually adjustable with hand loops.

Classic 42 Plus M:

Continuous adjustment from high performance double motor with maintenance free mains disconnect relay and emergency power lowering for power failures.

Separately adjustable leg section for relaxed reading.

Height: Outer frame 60 mm, incl. end caps 90 mm, max. height: middle (no load) 110 mm. Depth: motor mounting (below bottom edge of outer frame) approx. 120 mm.

Classic 42 Plus M Vario:

Continuous adjustment from ultra-flat, high performance double motor.

Separately adjustable leg section for relaxed reading.

Height: Outer frame 60 mm, incl. end caps 110 mm, max. height: middle (no load) 120 mm.

Silver-grey design with red shoulder zone and anthracite grey hip zone. Metallic outer frame.

Available in standard sizes 80/90/100 x 190/200 cm as well as extra large sizes up to 120/140 x 200/210/220 cm (Classic 42 Plus M Vario not available in extra large sizes).
